Features

Chrome coated wheeled cart For easy moving, and hose storing. Easy to move it. **TEFC induction motor** with guaranteed reliable quality. No carbon brush, no spark. And very low noise.

Reliable mechanical pressure control valve, performs like a electronic one.

Stainless steel suction tube with 2-layers inlet filter, and easy screw-in connector to the inlet valve.

Stainless steel + tungsten of carbide inlet/outlet valve ensure you 100% good performance.

It's adaptable for use with a paint roller attachment for interior projects.

Supports hose length up to 45m maximum, and max.0.019" spray tip

Ideal for small contractors, and large painting project.

Item number	DP-6818&DP-6820
Motor power	1HP 750W
Voltage	220V/50HZ&110V/60HZ
Max. flow rate	2.0L/min
Max. pressure	227bar/3300psi
Max. tip size	0.019"
Max. length of hose	30M
